PARTICIPATION FORM

Content Short description of the content. Here you can also add information about the intention of the film or comment on the relation to the annual theme.

Project description How did the idea come about? In what context was the film made?

Production team Please list all team members and performers with first and last names, date of birth, profession, function (director, camera, music, etc.). If supported by media educators, please specify their exact role in the project.

I accept the conditions of participation of the Deutscher Jugendfilmpreis/German Youth Film Award and confirm that I have created the content of my work myself and have not violated the rights of third parties (to images/sound/music) or have obtained permission for publication. The persons depicted and the institutions involved agree to a public screening of my film. I grant the Deutsches Kinder- und Jugendfilmzentrum/German Children's and Youth Film Centre (KJF) permission to copy the entries for archiving purposes and to use them for non-commercial presentations (competition website, temporary streaming offer in the context of the competition, scientific evaluation, etc.). Postal submissions will only be returned upon express request (please enclose return postage).

Data protection: The KJF will handle the data provided with care and will not pass it on to third parties. Detailed information can be found on our website under *Questions and Answers* and *Data Protection*.
